

CORRECTION

Correction: Simultaneously Uncovering the Patterns of Brain Regions Involved in Different Story Reading Subprocesses

The *PLOS ONE* Staff

There is an error in the Data Availability statement. All data are not included in Appendix A. The correct statement is: The authors confirm that all data underlying the findings are fully available without restriction. All data are provided at <http://datadryad.org/resource/doi:10.5061/dryad.gt413> and on the supplementary website: <http://www.cs.cmu.edu/~fmri/plosone/> <<http://www.cs.cmu.edu/~fmri/plosone/>

There is an error in the legend for [S1 file](#). Please see the corrected [S1 file](#) legend below.

Supporting Information

S1 File. List of appendices A-H including the detailed experimental procedures, textual annotations, description of the predictive model and classification setup, along with additional results.
