# Correction: An Analysis of Overstory Tree Canopy Cover in Sites Occupied by Native and Introduced Cottontails in the Northeastern United States with Recommendations for Habitat Management for New England Cottontail

Bill Buffum, Thomas J. McGreevy, Jr., Amy E. Gottfried, Mary E. Sullivan, Thomas P. Husband

There is an error in the caption for [Fig 2](#), “Logistic regression of the probability of New England cottontail (NEC) presence versus eastern cottontail presence based on average percent tree canopy closure within 75 m of detection location (Wald = 6.2230,  $p < 0.05$ ).” Please see the corrected [Fig 2](#) here.
