

Appendix II: Inclusion Criteria

Inclusion Criteria	Definitions	
Population	People experiencing homelessness and vulnerable housing.	
Interventions	<p>Supervised consumption facilities</p> <p>Managed alcohol programs</p> <p>Pharmacological interventions for opioid use disorder</p> <p>Pharmacologic agents for reversal of opioid overdose</p>	<p>Legally sanctioned facilities where people who use substances can consume pre-obtained substances under supervision (Drug Policy Alliance, 2018). There exists various terminologies for these facilities, including: supervised injection facilities (SIF), supervised consumption sites (SCS), medically supervised injection centres (MCIS), among others.</p> <p>Shelter, medical assistance, social services and the provision of regulated alcohol to help residents cope with severe alcohol use disorder (Shepherds of Good Hope Foundation, n.d.)</p> <p>Opioid therapy medications including methadone, buprenorphine, diacetylmorphine, levo-α-acetylmethadol (LAAM) and naltrexone.</p> <p>Opioid antagonist administered intravenously or intranasally, e.g. naloxone.</p>
Comparison	No intervention, standard intervention, alternative intervention, treatment as usual.	
Outcomes	Mortality, morbidity, substance use, mental health, access to care, retention in treatment	
Study design	Systematic review. Exclude all other study designs.	
Exclusion Criteria	Justifications	
<p>Reviews that focus on low- and middle-income countries</p> <p>Reviews that focus on Indigenous populations</p> <p>Reviews which focus on incarcerated populations</p> <p>Reviews which exclusively report on</p>	<p>Due to the variability in access to resources and supports in comparison to that in a high-income country vary greatly. We feel that the settings are different and should be synthesized separately.</p> <p>The analysis of the interventions tailored to this population will be covered by an Indigenous research group.</p> <p>Not generalizable to the non-incarcerated homeless population.</p> <p>Abstinence-based approaches are outside of the scope of this review.</p>
