Correction: CD40 Activation Rescues Antiviral CD8⁺ T Cells from PD-1-Mediated Exhaustion

Masanori Isogawa, Josan Chung, Yasuhiro Murata, Kazuhiro Kakimi, Francis V. Chisari

In the Results section and the Materials and Methods section, the alpha chain of the ENV28-specific T cell receptor (TCR) is incorrectly identified as V α 4.1J α NEW. The correct alpha chain usage of that TCR is V α 4.11J α NEW.
